

All About Community Health Centers

Community Health Centers (CHCs) provide high quality healthcare services to those who need it most. See below to learn more about their incredible impact!

90%

of CHC patients are low income

19%

of CHC patients are uninsured

1 in 9

children & adolescents receive care from CHCs

1 in 11

Americans are CHC patients - predominantly those that are part of a racial or ethnic minority

At LSA, we're proud to support Community Health Centers through interpretation and translation services.
